### The Life and Adventures of Santa Claus

Have you ever wondered where Santa Claus came from? L. Frank Baum knew. The same man who created The Wonderful Wizard of Oz lets us in on his secret: the

story of Saint Nicholas as told to him by a nymph who found the baby Claus and raised him as her own in the world of faeries and Immortals. The later teenaged Claus decides he must try to leave this world and live among the humans, making toys to make children happy. This delightful tale answers once and for all how Santa Claus made the first toy, why he climbs down chimneys and, most of all, how he learned to laugh that great "Ho, ho, ho."
