DEVELOPMENT INFO INSIDE!

Director - Bill Simmons  
All the ingredients for a  
chiller thriller are here  
and this time they are

handled with an unusual amount of comedy. A  
high-school administrator and some of her students are  
moving their school into a huge, old manor house that  
has been made available to them at an incredible  
bargain. As the high-school girls, with help from some  
local boys, begin setting up their school, strange things  
start happening. As the play unfolds, the proposed  
schoolhouse teems with mysterious surprises that build  
to near-terror.

Hold on to your  
hoverboards, we're taking a  
trip back to the 80s! When modern teen Mary Fitzry gets sent  
back in time by an eccentric professor, she finds herself in the  
middle of a totally tubular cavalcade of 80s pop culture. There's  
a lot of familiar faces, from the teens in breakfast-time detention  
to the guys chasing ghosts and dancing zombies, but the  
biggest surprise of all is Mary's own protective mom as a teen.  
Turns out she's actually kind of rad – but thanks to Mary's time  
travel, she's in trouble. Can Mary make things right? A  
hilarious parody to make all ages cheer "I love the 80s!"  
**Auditions: January 4 & 5**

In our American culture It's a  
Wonderful Life has become

almost as familiar as Dickens' A Christmas Carol. It's the saga of  
George Bailey, the Everyman from the small town of Bedford Falls,  
whose dreams of escape and adventure have been quashed by family  
obligation and civic duty, whose guardian angel has to descend on  
Christmas Eve to save him from despair and to remind him—by  
showing him what the world would have been like had he never been  
born—that his has been, after all, a wonderful life. This fine  
dramatization not only celebrates the faith of the season, it also  
celebrates the American philosophy of life: hard work, fair play and  
the love and support of one's family and community will be rewarded.

This production of the  
comic misadventures of  
the Mobile Army Surgical Hospital (M\*A\*S\*H) is a wild,  
free-flowing comedy. Joining M\*A\*S\*H are two  
unpredictable madcaps, Hawkeye and Duke. They can't be  
dealt with casually, however, because they are also two of  
the best chest surgeons in South Korea. They decide to wage  
a campaign to get a young Korean to the United States and  
entered in a good school. The thread of this effort helps tie  
together the pileup of comic adventures that pyramid right  
before the eyes of your astonished and hysterical audience!

# ELEVATOR REPLACEMENT

For years, the elevator at Old Town Players has quietly played an important role in making our theater accessible to our community. But after many years of service, it is now nearing the end of its useful life. It has become increasingly less dependable, and replacement parts are difficult - if not impossible - to obtain when repairs are needed. The time has come to replace it.

Thanks to the generosity of our supporters, over the past 18 months, we've made improvements that are helping OTP become a more welcoming, functional, and vibrant home for the arts. **Now, we need your help to keep that momentum going.**

**The estimated cost of a new elevator is \$30,000, making this one of the most significant projects in our ongoing effort to improve and preserve Old Town Players.**

This isn't just about an elevator. It's about making sure a grandparent can attend a grandchild's performance. It's about making sure a patron with mobility challenges doesn't have to wonder whether they'll be able to reach their seat. It's about making sure OTP remains a theater for everyone.

We invite you to be part of this important investment in our future. **Thank you for believing in Old Town Players and for helping us build a stronger, more accessible future for our theater.**

Thanks!

**Performances are Friday & Saturday 7 p.m. & Sunday 3 p.m.**
