OLD TOWN PLAYERS COMMUNITY THEATRE & ARTS CENTER

SPOTLIGHT ON THE COMMUNITY

Every great performance begins behind the scenes, and the same can be said for the remarkable transformation of our community theater. Through the generosity of our Patronicity Campaign supporters, long-awaited renovations have become a reality.

From improved facilities and enhanced audience comfort to updated spaces for artists and volunteers, every improvement reflects the shared vision of community members who believe in the power of the arts.

We are deeply grateful to each donor who invested in this project. Your support is more than a financial contribution—it is a gift to future generations who will discover creativity, confidence, and connection on our stage.

Because of you, the curtain continues to rise on new opportunities and unforgettable performances. Together, we have demonstrated that when a community comes together in support of the arts, extraordinary things can happen.

LIGHTS, CAMERA, COMMUNITY CELEBRATES THE POWER OF LOCAL SUPPORT

Old Town Players recently rolled out the red carpet for its special "**Lights, Camera, Community**" celebration, an evening dedicated to recognizing the generous donors and supporters whose contributions have helped make major renovations to the facility possible.

Guests gathered to celebrate not only the improvements to the theater but also the spirit of community that made them a reality. The evening began with a delightful performance by the **Vincennes Children's Choir**, whose talented young singers set the stage with an inspiring opening act that was warmly received by attendees.

Following the choir's performance, guests enjoyed an energetic show by OTP performer and acclaimed Elvis tribute artist **Josh Pack**.

His captivating performance had audience members singing along to classic hits and celebrating the legacy of the King of Rock and Roll.

Throughout the evening, attendees also enjoyed delicious desserts while visiting with fellow patrons and volunteers. The event provided an opportunity for supporters to see firsthand the results of their generosity and to share the excitement of the theater's bright future.

"Lights, Camera, Community" served as a heartfelt thank you to the many individuals, businesses, and organizations whose financial support and encouragement have transformed the theater. Their investment ensures OTP will continue to provide exceptional entertainment, educational opportunities, and cultural experiences for generations to come.

Footloose Youth Rehearsals in Full Swing

The energy is high and the music is loud as rehearsals get underway for our upcoming production of Footloose Youth Edition!

Over the past several weeks, our talented cast and dedicated production team have been hard at work bringing this beloved musical to life. From learning choreography and perfecting vocal harmonies to developing memorable characters, these young performers have shown tremendous enthusiasm, commitment, and growth throughout the rehearsal process.

Perhaps the most impressive aspect of it all is the teamwork being demonstrated by our cast members. New friendships are forming, confidence is growing, and valuable skills are being developed both on and off the stage. The dedication of these young performers is a wonderful reminder of the positive impact community theater can have on our youth.

As opening night approaches, audiences can look forward to energetic dance numbers, memorable songs, and the timeless messages of embracing change, friendship, forgiveness and self-expression.
